“ *Andrew, You were the younger brother I never had and a great friend. I wish you were still here but I know you're in a much better place than I can even imagine. I promise I'm going to do good and make you proud little bro. You were the funniest guy I knew, you could always bring humor to any situation. You were the type of friend and person that I aspire to be. I'll see you at the river on the other side of those pearly gates my friend*

“ *Andrew, I just heard this news. I'm very saddened. You were doing so well. Living on your own, I'm so confused as to what happened. We just talked hours before and you were talking all about working in Atlanta and so on. R.i.P my bro*

“ Andrew you will be so deeply missed. Thank you for being there for me when I needed someone and I hope that I was able to do the same. You were goofy and always put others before yourself. You have come so far since we started talking a year ago. Rest In Peace. To the family, I am sorry for your loss. Just know that he loved you all so much and talked about you all. He would especially talk about his niece Arianna. I wish you all the best through these rough times.

“ I remember the day this Picture was taken, like it was yesterday, I miss you big brother. I love you. You were the man of the house. We never had fathers so you took on the roll of big brother and sometimes dad, I wish you could have just been a 21 year old for once without all the responsibilities you had. Andrew O'Donnell I wish I could bring you back. I wish I could go back and we could be kids again. I want to make you proud, and when I have kids they will hear all about their uncle drew and how fun, crazy and goofy he was. They would have loved you just as much as I did. Andrew O'Donnell you were our rock. You will forever be missed and loved. Rest easy sweet boy.
