

Angela Rose Tait

May 10, 1960 - October 11, 2024

Angela Rose Tait, age 64, of Nashville, died October 11, 2024, at her home surrounded by family.

Born on May 10, 1960 in Fort Lauderdale, Florida to the late Isom and Shirley Chauncey, she learned many life skills that she carried with her and passed down to her family. She was a true family woman- she made her house a home and poured into her family and everyone she met. She was her husband's best friend and was up for anything he wanted to do. She could be found in the kitchen, cooking for everyone and she loved to share what she knew about cooking with her children. She loved to fish and sew, and watch Dr. Pol on tv... she was a woman of all trades and many hobbies- but most important- was spending time with her husband and family. She kept everyone in line and made sure everyone was taken care of- in every high and every low- she was a constant- and always brought "fun" to life.

Survivors include her husband of 29 years Eddie Tait, son Nicholas Robinson, stepson David Tait, stepdaughter Hannah Tait, 11 grandchildren, and two sisters- Penny Padget and Diane Newsome.

In addition to her parents, she was preceded in death by her brother Ike Chauncey.
