“ An Eternal Memory.....Until We Meet Again Those special memories
of you will always bring a smile if only I could have you back for just
a little while Then we could sit and talk again just like we used to do
you always meant so very much and always will do too The fact that
you're no longer here will always cause me pain but you're forever
in my heart until we meet again. Though I didn't see you much last
few years I love you Annette "The Baby"

“ I love you every day. And now I will miss you every day. Your presence here on this earth will be greatly missed; your wacky sense of humor could always give me a laugh. Your strong determination, drive and you just being You is something we all should learn from. I valued your bluntness- “never beat around the bush - tell it like it is approach.” I will so miss your voice, your hugs and You so much. I will carry you in my heart forever. It is said that we don't say goodbye, “it is until we meet again.” This journey is over here, you no longer in pain and you are FREE... I do hope my forever little loved flower girl that we will meet again. I love you forever. Aunt Jo
