

Annie Laurie Sullivan

November 13, 1960 - February 19, 2026

Annie Laurie Sullivan, age 65, passed away on Thursday, February 19, 2026.

Born on November 13, 1960 in Florida to the late Robert and Robbie Lee Gould, she was a woman of strong will, eye for design, and love of life. In her younger years, she loved to ride horses and fly with her neighbors who had access to a plane. She was also a high school baton superstar and could still do baton tricks even in her later years. Her strong will carried to her sons- Kristopher and Timothy and instilled a strongness in them, always helping them stand on their feet no matter the situation. Her eye for design could be seen in her home as she was always rearranging and had a talent for interior design, as well as through her antiques, classic pieces and her garden. She experienced life in Alaska, Florida, Georgia, South Carolina and North Carolina, always carrying the adventures each place brought with her.

She is survived by her sons- Kris and Timothy Sullivan, brother- Arthur Gould, and grandchildren- Reid and Bella Sullivan.
