“ Dad, I miss you so much and I love you. My best memory was us killing my first deer together and I have a million more that are just as good. You were a good dad. And you will always be in my heart and on my mind.

“ I miss you so much and so do the boys. You were my world for almost 18 years and 17 years of marriage. You were my person. I love you too the briar patch and back. We love you bunches and bunches.
