“ *I had the pleasure of working with Joan 30 years ago at Frito Lay. I believe we started a week apart. She was such a wonderful coworker and friend. I have never met a better person. So happy and kind and always willing to lend a helping hand or word. I went to a birthday party that her family surprised her with in Centerville. I kind of lost touch with her when she moved away. However, I will never forget her and she has a special place in my heart. She fought a long hard battle. Please keep all the happy memories alive!! Rest in Peace Joan, you are finally no longer in pain!! Love, Hilda*
