“ Oh my sweet papa, when I was just old enough to follow you around I would go anywhere with you even when it was to wake up before the sun came out and drink a cup of coffee. You would always make it just right for me. You have the best hugs and you always held me so tight to assure me I was your baby doll. As I grew older and life happened I was always so far away from you. I wish I could have found you easier or sooner. You will always be in my heart and will always be my papa.

I moved away from Tifton so I haven't yall you alot the last 15 yrs but man this hit hard. I remember so many times staying with you and Nana Pam. I wish I hadn't moved away. Because my kids would have sure loved you! I will miss you Papa!--Leann
