“ *It went back to Georgia to say good bye to you and my dad James register. I know that nobody will believe it but I was led to do so. I spent 6 years looking into your beautiful eyes. Always believing that God put you in my life for reasons That he himself would only understand. I love you and wont forget the last time we spent time together. I now see that it wasnt me God wanted you to meet but you that god wanted me to meet. I love you and because of you I am blessed with knowing that youre my one and only....*
