“ hi michele and family. so sorry to hear about bobby passing away.i remember him when he was about 5 or 6 years old, and father claude asked could he come in the house to watch tv, because they were gathering tobacco back then on their weldon farm.we said sure come on in. bobby sat down on the floor and watched batman tv series. when the song came on about batman, he moved his little arms back and forth to the music of batmans music.i thought this was so cute the way he did that. love and prayers from loretta and jennifer willis.this must have been 1965all or 1966.our family rented part of the land on the old weldon place back then.all of his and your family have our deepest sympathy and love.
