### Brian Breese Obituary

On Feb. 19th 2021, Brian Todd Breese of Mystic Georgia, quietly departed this earthly plane, bound for whatever follows life as we know it. This was the end of a long illness.

He was born on September 9, 1958, in Columbus Ohio, to David Lee Breese and Carol Joy Breese (nee Goldsberry), at Mt Carmel Hospital.

Brian once managed the local Pizza Hut and Domino's Pizza. He was a truck driver for the most part. He often remarked that he was paid to discover the nation. He was able to see places he would've never seen. Before he had to give it up, he had been to all 48 states in the contiguous US, and 5 provinces of Canada.

Brian also loved watching his son Jordan grow up. He would marvel in Jordan's successes. Brian's hobby was his computer. He was a member of an international trivia team that would compete in online contests. His computer helped him stay in touch with friends and family, once he became too ill to leave his room.

Brian is survived by his mother, Carol, son; Jordan Paul Breese (fiance' Destiny) of Americus, daughter; Devin Nicole (Drew) Lavender, and grandson Judd of Ocilla, brothers; Chad Breese in Mystic, Tom Lewis in Augusta, and David Matthew Breese in St. Louis Missouri., sisters; Jill (Allan) Griner, and Melissa Breese in North Palm Beach Florida.. Numerous aunts, uncles, cousins, nephews and nieces. He was preceded in death by his father David

Breese in 2000.

A memorial service will be planned at a later date. In lieu of flowers, please donate to the Tiftarea Hospice.

“ *I've known Brian for over 10 years. We met through trucking  
Facebook groups and became friends through that and politics.  
Brian was always kind, but very set in his beliefs. And that made  
him a great friend. Brian, you'll be missed. You were a good man.*

“ *I am a cousin of Brians. I live in Canada but somehow about 6 years  
ago we found each other through other family members on  
Facebook. Even though we never met in person we shared a lot of  
the same opinions on life. He had empathy and an open mind. I will  
miss his humour and our posts together. He filled in some spots on  
my families history. Even though I knew him only through social  
media I felt he was open enough to share so much that I felt I knew  
him longer. I am so sorry he has passed but I will not forget him. He  
was one of the good ones. Rest In Peace Brian.*

“ Brian was a wonderful friend, always thoughtful of others, ready with a funny quip, or a word of support that meant so much. He will be missed by his friends on No Worries! at FunTrivia, and by many others, I am sure.
