“ *Forever grateful to have had you in my life since we were 16. As you always said ... Because of you I met my husband and I should tell you how I owe you lol because if it wasn't for you I wouldn't be a BERUBE!! So true and so blessed!! Way too many memories to post! You are so missed and definitely will miss karaoke nights and beating you at chess . I know you are at peace and back together with Brian and all the other loved ones up there!!*
