“ *Mà I sure miss you I have tried to call you about your grocery list. And I have went to fill your medicine tray. But God needed another Angel. Thank You God for allowing us the time we had with her she helped us through some rough times the past 3 years. While I was helping her she was in turn helping me.through the some really hard times in my life. She was always there to listen to me no matter how much pain she was in and always there to comfort me no matter how much pain I was in. Her caught er Bonnie's said it best: God Put ma and I in each other's lives because he know we needed each other.*

*CAROL HART was a Blessing and touched so many with her witty charm. She will always be missed. I Love You Ma your always in George Joey and I"s hearts.*

“ In recent days, a whirlwind of emotions has enveloped me. Yet, it is undeniable that at the heart of everything, you remain my mother. We have all undertaken actions that necessitate forgiveness; none of us is without flaw. It is with certainty that I believe God, in His infinite wisdom, has embraced you into heaven, welcoming you warmly. Furthermore, you are now granted the eternal grace of reuniting with your parents, whose absence you deeply mourned. May you find eternal peace.

*Love your daughter Dawn*

“ I'm sorry I couldn't attend. I know you understand. We haven't talked much on the phone in the past few years, but I want you to know that we love each other in our own way. Now, you are at peace and no longer need to be afraid or worried. I know you made mistakes, and you know you did, but remember that we love each other in our own unique ways. Until I see you again, Love your Daughter, Lisa Madore
