“ I was a couple years older than Larry. We grew up together on the same street, at one time early in life , we were next door neighbors. His family were good folks. Oh yeah. His sister as well. I have thought about him many times, wandering what ever happened to him. Sorry to hear this news. We have not lost himFor we know exactly where he is now. Now it's left up to us , to prepare to meet him again one day. My prayer is with you and your entire family. A friend forever. Bobby Barnes. Andalusia Al.

I will certainly keep his wife and the entire family in my thoughts and prayers in the days ahead. May your cherished memories bring you joy and peace, keeping him with you always.

“ I grew up next door to him. So many of my childhood memories include him and his family. The last time I saw him, he was talking about his love for God and his family. I know he's in a better place now.
