September 5, 1985 - October 17, 2025

Charles Franklin Gaughf, 40, of Albany, GA passed away at his home on the 17th day of October, 2025.

He is survived by his wife Heather Nicole Henry, his two step-sons, Emmanuel Joseph Henry and Noah William Henry, his fur-baby Sophie, mother Mary Sweat Gaughf, father Orvis Charles Gaughf, older brothers Calvin Milling and Charlie Milling, younger brother Christopher Gaughf, and God-son Donald Joseph Tesch.

Chuck had a Master's Degree in Cyber Security, which he used to protect his country and financial institutions for over 15 years. In his free time, he enjoyed singing Karaoke with his friends, Star Wars Lore, playing games in all forms, learning any instrument he could, and just enjoying life with his loved ones.

Chuck was known for his kindness and giving spirit. He had a smile that would instantly light up the darkest of rooms. He always knew how to make everyone laugh or exactly what to do to build them up. He will be sorely missed by every life blessed enough to be touched by his soul.

“ I am so sad to see this! Charles and I were together at ISC2 and was always very nice and kind (he was one of few at that organization). He was a brilliant cybersecurity leader and will be missed in the industry. My thoughts and prayers to the family.

“ I have known Chuck for around 20 years and he was a good man. I have been checking regularly looking for an update on his obituary and haven't seen one. Is there somewhere I can find one or any information on his service? It was by sheer chance I heard of his passing almost a week ago and haven't seen any information about a service or an obituary ever since and can't find a single thing. Can someone please point me in the right direction so I can pay my respects. Thanks.
