“ *I've so many things I could say but the 1st I think of was his contagious smile. I watched this baby grow up and even spent many holidays and birthdays with you. You always made me smile when I seen you smile. Fly high handsome one!*

“ *Theres so many things I could say about Dallas. Dallas had a heart the size of Texas he was kind and caring. The smile he had is one you can never forget.
What i wouldnt give for another two and a half hr drive with you in my passenger seat laughing as i threaten to make you walk the rest of the way if you didnt let the next song finish playing. I love you Dallas, you will always hold a special place in my heart son.*
