“ To the family of David "Andy" Newell, I am so sorry to hear that your love one has passed. You have my deepest sympathy and condolences. May you find comfort in God's word the Bible, it contains information that can help us in our times of pain sorrow. For example at John 5:28,29, it says that there will be a resurrection of our dear love ones and we will be able to see them again alive on this earth and they will be in good health in body and in mind. Also at Revelation 21:3,4, it says that there will be no more death on this earth in the near future. That is good news from God, it gives us hope for the future and helps us to endure the pain and sorrow we feel now. May you continue to find comfort in God's word.
