Deborah Lynne Ball, age 64, died Wednesday, October 30, 2024 at Wilson Hospice House in Albany.

Born on April 30, 1960- she spent her life taking care of others and giving everyone her best. She loved her family, her friends, her patients, and the Lord. She was a woman of faith- graduating from Pensacola Christian College and always kept her faith rooted deep in Christ. She was a true caretaker, taking care of not only her family but also her patients, as she was a registered nurse with Pruitt Health of Albany. Recently retiring, she spent her days with the sunshine of her life- her grandsons. The love she had for them was evident, as she would move mountains to make sure they never went without. She was a woman who loved deeply, and will be missed tremendously.

“ *She was the best mama in the world. She took me shopping every weekend when I was in middle school and high school, she took me to every soccer game when she could, and she was the greatest Mimi to my boys. She is already missed so much. I love you Mommy. --Your daughter, Julie Anne* 🍷💔
