“ *Deb, this is a very nice tribute. I could not have said it any better. Great memories growing up. Us kids were all a handful at times. I will surely miss her. May she rest in peace and fly high with the angels! My condolences to all of the family!*

“ *Diane was a sweet, kind and caring loving friend and sister not only did we work together but we also talked everyday and celebrated our birthdays together. I would take supper to her at work and stay over if she needed me to. We looked out for each other. To the family I pray for comfort and peace from God. She is better now!! Fly high and rest you have your wings now!! Gone but never forgotten!!! Love you!!!*

“ As my little sister, Dinni (her family nickname), made it her mission to aggravate me almost daily. She often had help from our other siblings. (You know who you are :) no need to mention names. We also made lots of great memories. We caught lightening bugs that somehow got loose in our bedroom one night, made s'mores, and rode our sleds and flying saucers down the hill in our front yard. We went to "the land" and went swimming in the summer and ice skating in the winter. We played kick the can and sardines with the neighbor kids. After Dinni moved here to Georgia, she and her family came to visit our grandparents who lived next door to me. Her boys and husband loved to fish in the creek and swim at the lake. Dinni, Grandma, and I would sit on the porch and have nice visits. Her heart was big and she sat with many Tifton residents when they needed home care. She will be missed by many, but most of all by her kids, grandkids, and the brothers and sisters who grew up with her. Love you Sis!
