“ Fly high baby boy! You made me the most proud of you and the father you fought to be and was! Our hearts are shattered, yours is whole. Our world is less without you, while you gained more the day God took you home. You are forever in our hearts. You did not deserve half of what you have been through and the only thing that gives me comfort is knowing you are now in a place that life doesn't get the opportunity to treat you unfair. You know nothing else more than love now. I love you always and will remember you always "Lil Eddie". Your babies will know how much you loved them. Love your Aunt Misty
