Frances Burnett Obituary

Francis White Burnett age 65 of Tifton, Georgia passed away unexpectedly February Twenty-seventh, 2023, following a tragic car accident. A lover of animals and all things musical, she was known for her sense of humor, talented singing voice, and steadfast faith in God. Though she faced challenges in life, she deeply enjoyed performing her many musical talents. In her younger years, Fran toured the world as a background singer for some of the generations' most famed musicians—living in Germany, New York, and Los Angeles. She is survived by her sister, Michele Cameron, brother-in-law Bradley Cameron, Sr., and nephew Brad Jr. She will be deeply missed and, in a final act of selflessness, chose to undergo organ donation saving the lives of others. Her family asks that, should anyone wish to make a gesture, donations be made to the ASPCA or other animal-related causes.

“ I'm so sorry to see this. I go way back with Fran when we both lived in Germany in the 80's. She and I both sang and both did makeup. She was always glamorous with her head scarves and her poodle Doodle in tow. Both our journeys were a whirlwind at the time, and we both had mother's who became our backbone in time of need. She eventually returned to the States to LA and I to Florida. Thanks for touching my life Fran and prayers for her sister Michele during this moment of loss. May the many lives she touched reflect on all the beauty she shared while with us.
