“ Carlos and Dylan, I am so sorry for your lost, your family has been so good to my son, James, and I couldn't have asked for a nicer person than her. You are in our family's thoughts and prayers

“ Elaines family I am so very sorry for your loss. She and I had lots of laughs at TRMC with her on Medical and me in ICU and one more Elaine on nights, confusing one doctor particular when more than one of us would call him on the same night. Finally we figured it out. I loved working with her and just recently reconnected with her at the nursing home in Ocilla a few months ago. I had been praying very hard for her to pull throw but God healed her by taking her home. I know your hearts are hurting. I will have you in my thoughts and prayers as you go through this horribly difficult days ahead. Again, Im so very sorry. Our profession just lost a great nurse, that loved what she did.
