“ George and I went to school together. George introduced me to Queen with his cassette tapes he had. He would walk to my house in Lax. We would camp and did all kinds of things teenagers do. He was a great guy and I have great memories of my childhood with him. I look forward to seeing him again. My condolences to the family.

“ I'm so sorry for your loss , he was also my family. We loved him dearly, he will be missed. I remember when we used to go to Atlanta for our family get together and he would ride ne on his bike and I thought every time we went around a curve that his knees were scrubbing the pavement cause he was so tall. I love you.
