“ Dear Holly,I have struggled the past week to find the right words. I'm heartbroken. You were my real life baby doll when you were born. I raised you as a teenager for 3.5 years. I'll forever hold onto the memories we made together. You were the little sister I always wanted. It breaks my heart that I couldn't help you, but I take comfort in knowing your heart and soul are finally at peace and in the arms of our Heavenly Father in heaven. I've always loved you and I always will. I love you Hollywog!❤️🙏❤️

“ I hadn't met Holly but spoke with her sooo many times. I just wanted her to know that I didn't judge her but for her to know she had a friend in me. A true friend. I encouraged her, I cried with her, I laughed with her and now I grieve her. My thoughts and prayers are with the family and pray that I'm some way you guys find peace and comfort. I love you Holly!
