“ He is my oldest brother and as for role model, OUR FATHER, Elihue Cummings was his role model. Not JT Morse. HUEY learned how to be a good man through our dad. My brother never got to live the good life cause he was always trying to please others. He was a good man hidden from his real blood family for over 18 years. We, your REAL family missed you then and now will miss you even more. Your sister Marilyn. Rest in peace now, Bro. You've earned it.
