“ Dear Janet,
We are so sorry to read Jama's obituary in this week's Western Wayne News. Jama was just two months younger than our daughter Jill. Jama's medical problems must have been a great concern for you. Jerry had many in 2017, but he is on the road to recovery. You must still be living in Bainbridge. We hope to go to Brunswick on the coast in February, where we spent two months last winter. We are thinking of you at this very sad time with sincere condolences from your classmate.
