“ I have a hard time ever remembering that Jimmy wasn't a part of our family...He loved the Lord and was always kind to me and I just have to assume to everyone...it was just his nature...he was always a joy to be around and I'll never forget how he prayed for my brother Johnny when he was in the hospital...if you knew Jimmy he was not a quiet prayer...he was determined to get his message to God...we were so loud the nurses reluctantly had to quiet us down...and that one day as he was closing in prayer...Foots happened to be there...well that warrior of God ask Foots if he wanted to rededicate his life to the Lord and Foots said YES!!! Saying yes dosen't make one perfect but it sure makes one Saved!!!Halleluja!!! God used Jimmy in a special way...he was never ashamed of relationship with Jesus...He was ready to do whatever to further the Kingdom of our Lord...WE KNOW WHERE JIMMY IS TODAY AND FOREVER MORE...I thank God that he never backed down and was always a willing servant of God and a wonderful Blessing to all his family and friends...what beautiful memories he's given to everyone!!! God Bless everyone during this time...Cherish the GIFT!!!
