“ I'm so saddened to know that I will not see your sweet smiling face here on earth again. You were such a strong sweet loving lady that I got the pleasure to meet and grow to love only a few short years ago. Your strength and determination inspired me. You went thru SO MUCH but still kept that beautiful smile! I'm so so sorry Amanda and Ken. You two were the loves of her life and that's HER words

“ My memories of Jamie:She was the greatest cook. She wouldn't let me cut up vegetables - I didn't cut them small enough. Her love of animals kept me from saying anything nasty about any of them including squirrels. She was so observant that gifts for me were always just right. She threw her heart into her job, her family and friends. She was beautiful dressed for work; she was beautiful lounging at home. She was beautiful inside and out. Jamie we love you.
