“ Dear Aunty Jean... You will be greatly missed, I remember the times when you and Uncle Ludlow would come over from Jamaica, and Dad would come and get us out of school, we would be so excited, we were only 6 or 7yrs old. I loved our talks later on in life and have missed them. Your ever-loving niece Amanda.

“ My condolences to Mellodie, Chris and the entire family. We have lost a beautiful soul. 88 years, a seemingly long time, went by so quickly, when we enjoyed the life with Ms Jean. My big sister was very supportive of me, back when I was a little girl. I was injured in an accident and Ms Jean was there to comfort me and shield me from surely being punished for disobeying our mother's directive. This incident is forever indelible in my memory. One of her strengths was to be able to prepare gourmet meals. They were simply delicious. Ms Jean loved to watch tennis matches. I will forever remember her when the tournaments start again, especially the US Open in New York. We watched the television matchups together. Til we meet again, may you rest in peace. Love you always, Your little sister Shally
