“ *My memories of you start when I was young and going to your home to play with Ginger and Wanda, you were always loving and welcoming. Reconnecting to you many years later was even more special. Visiting and enjoying our conversations made being in Bridgeboro special to me. Thank you for the love you shared with me, you will always bring a smile to my heart. Peace and Blessings to your family. Wanda Gunn Woodard.*

Thank you, Wanda. It brings back so many good memories for me too. It was a wonderful childhood for us in the country in Bridgeboro. Thanks for remembering our beloved Moma. She loved being a Mother and a friend, not only to us, but also to our friends. I'm thinking of times past filled with laughter and love. Thanks so very much.

Thanks so very much, Lee Ola and Wayne. You never stopped doing good things for Moma and us. Moma called y'all her angels. And y'all were. She and all of us are so blessed that y'all were her good neighbors and friends. Our Moma is with Jesus now. And rejoicing! God bless y'all for everything! We are humbly grateful. Love, Moma's family 🙏
