“ *I did not write this poem but I think he would want the same! Love
you uncle Jerry! You are missed and loved so much!Miss Me . . .
But Let Me GoWhen I come to the end of the road,And the sun has
set for me,I want no rites in a gloom filled room.Why cry for a soul
set freeMiss me a little . . . But not too long,And not with your head
bowed low,Remember the love that we once shared . . .Miss me,
but let me go!For this is a journey we all must take,And each must
go alone.It's all part of the Master's plan,A step on the road to
home.When you are lonely and sick of heart,Go to the friends we
knowAnd bury your sorrows in doing good deedsMiss me . . . But let
me go.*
