Joann Pendergrass Obituary

Joanne Yolanda Pendergrass, 57, passed away on November 18, 2023 at Southern Ga. Medical Center. She is survived by her three children, her grandson, and many who loved her.

Born on October 30th, 1966, Joanne Yolanda Pendergrass lived a life that touched the hearts of those around her. While our time with her was limited, the impact she made on her family and friends will forever be cherished.

Joanne had a laugh that could light up the room and loved to listen with a kind heart. She faced many of life's challenges with resilience, and her strength was an inspiration to those who knew her. The love she had for her family was evident in the moments anyone shared with her.

She had a passion for art, of all kinds but especially drawing. She loved the beach and found joy in the simple pleasures of life.

In honoring her memory, let us remember the love she gave, the lessons she imparted, and the strength she displayed. Her presence in our lives leaves an irreplaceable mark.

A memorial service to celebrate Joanne's life will be announced at a later time. In lieu of flowers, the family requests donations be made to help cover the cost of her sudden passing.
