“ Keith was more than a friend—he was like a brother. We shared so many laughs, deep conversations, and memories I’ll hold close forever. His kindness and genuine heart always shined through. Rest in peace, my friend—you’ll never be forgotten.

“ Much love to everyone. This is hard to read and I am so sorry. Growing up and going to school together with Keith, I absolutely absolutely remember seeing him at school after the summer that he had a growth spurt. I always thought he was slightly magic and powerful after that.
Rest in peace.

I loved Keith from the first day I met him. He was the youngest of the Hasty “boys” but he was as special as his brothers ever were. Keith always had a smile & a sharp comment with a laugh. He was fun & good & thoughtful.
After graduation we were roommates at Jax Beach for years. Best roommate I ever had, always happy, always thoughtful. He’s a brother & I will miss him dearly until I see him again. God speed

Grief from the loss of a loved one is so personal and unique for each one of us. Feelings will arise at the sound of a particular song/band, sporting event, concert, etc...

Keith was Alan's little brother, so we made sure he was good coming into VSU in the late 80's...

Studio 12..... JP Muldoons... PCB....shopping with CC..... YMCA....Ricks.....and of course the NEW KNIGHTS!!!!

What was the name of that late night greasy spoon breakfast establishment we would frequent??? Had the waitress that cussed us out...Ha,Ha,Ha good times.

Rest in peace my brother.

*Much Love,
Gregg Smith*
