### Kenny Thacker Obituary

Kenny Lee Thacker, 57, died on Sunday October 3, 2021 at Tift Regional Medical Center. Kenny was born on February 9, 1964 to Dorothy Vance and the late John Lewis Thacker. Along with his mother, he is survived by a brother, Bo Thacker of Florida, a sister, Kathy Leonard of Florida, and his longtime special companion Darlene McBrayer of Tifton. Kenny enjoyed watching football, often with his brother, Bo, on the phone watching with him and spending time with Darlene and her children and grandchildren, who lovingly thought of him as their grandfather. He was a jokester who could almost always get a laugh out of anyone. Kenny had a big heart and was always willing to help whoever needed it even if it meant he did without. He often had a smile on his face even though his life with a disability was not easy by far. He also dearly loved his two dogs, Sasha and Shag and his cat, Thomas. Kenny was preceded in death by his father John Lewis Thacker and a sister Connie Sue Thacker Griffin.

“ *I miss you Kenny! Wish you would call and ask me to get you and the dogs a bucket of chicken again or hear you tell a joke with that laugh of yours. But most of all, I wish you could be here with mama who loves you so much and I know you love her just as much. But I know you were exhausted from the suffering you experienced here on Earth and now you have a new body and the joy of being with Jesus. We will see you again soon.*
