December 28, 1972 - September 2, 2021

### Krishna Martin Obituary

Krishna R. Martin of Tifton, Georgia died suddenly in her sleep on the night of September 2, 2021 at age 48 due to natural causes. She was born on December 28, 1972 in Tuscola, Illinois the daughter of Dwayne Everett Moore and Joyce Mae Johnson. Krishna moved to Georgia with her mother when she was about fourteen years old. She got her GED, had her first son Holden and soon after married and had her two daughters Hope and Hanna. For the longest amount of time she loved her job as a vehicle locator specialist, but was working as a delivery driver prior to passing.

Krishna was preceded in death by her parents, Dwayne and Joyce. Surviving is her son Holden Moore of Villa Grove, Illinois, and her daughters Hope McDaniel Brockington (Nashville, Georgia) and Hanna McDaniel Thomas and her husband Jeremy Thomas (Atlanta, Georgia). She is also survived by four grandchildren; Zehavah Brockington, Kayden McDaniel, Ezra Thomas and Haisley Moore.

A private memorial service was held at Fulwood Park in Tifton, Georgia on September 6, 2021 at 6pm. Krishna has been cremated and will be laid to rest in Illinois by her mother as she wanted. Arrangements made by Reflections Cremation and Funeral Service in Tifton, Georgia.

Krishna was a kind and compassionate woman who adored and took much pride in her children and grandchildren. She loved the Dallas Cowboys, roses (red specifically), 80s music and her close friends. She was very friendly and

outgoing; could never meet a stranger. She took joy from all of the little things like getting an art piece from a child/ grandchild or seeing a pretty flower in an unconventional place. She was loved and will be remembered fondly by many.

“ *I just learned of Krishna's passing and I am so truly sorry. I met  
Krishna around a year ago. One thing that can be said about  
Krishna was that she loved her family, especially her children. She  
was always smiling and kind, even on the worst of days. Rest in  
Peace sweet lady.*
