“*Mary Ellen and I grew up together since kindergarten. We did everything together then and went I trips with her mom and dad Wonderful family and great friend. We always stayed in touch after all these years. Our kids hung out together and grew up together. Things with our lives can keep us apart as years go by but I love her and will miss her so much. Prayers for her boys Kevin and Brian and the rest of her family.*

“*David I know the pain you are feeling over the loss of your grandmother. You know the relationship you had with her. You know, and will always hold close to your heart, your last coversation you had with her, and you know that she loved all FOUR of your boys- Bentley, Braylen, Bryson, and Brayden. I am sure she is in Heaven telling Jennifer all about them and about what a wonderful man and father that you are. Your dad, brother, sister and I are always here for you and love you.*
