“ Mickey, I know you are at home and in Peace. I miss you and can't believe you are really not here. I know you are enjoying conversations with Granny, Papa Hoover and Papa Chauncey, Aunt Dot, Aunt Margaret and Uncle Pegie and your Dad Wayne. I know you had a lot to tell them to catch them up on what's been going on. We will take care of your Mama and just know how much you are loved and missed every minute of every day. I feel better knowing I have you as another Angel watching over me and my family. We have our memories to hold on to and share with others about the wonderful man you are and the knowledge you shared with others about the word of God and all the other many subjects you were so well read on. Love you so much from your favorite Aunt Fran until we meet again
