“ I have known you almost 40 years. I have so many memories. You had a huge heart and lots of love. You had compassion for others more than yourself. You could be hardheaded but who couldn't. We bumped heads but always ended with i love you. You loved in your own way. You was a beast on the guitar. I have some videos on vcr from cookouts. You will always be remembered and loved.

“ Michael was around 10 when I entered the family. He was well loved by his family, even when he didn't think he was. He was so talented. The Eason side of him always showed thru his music. His love for music was a family tradition from his Papa Grady and his Uncle Dennis. I pray he is in Heaven now picking and grinning with them now. And I know his Granny Pauline is sitting there listening to them. He will be missed for sure, but I'm so happy he gave his heart to Jesus and if he can't be here with us, he is with his family in Heaven. Kathy and Missy and kids, my thoughts and prayers are with you guys.

*All my love, Wendy*
