“ I want to thank my brother, Don for being her rock, taking care of her and loving her. I will miss knowing she is here but won't miss the heartache that was associated with the family. We all just wanted to be in her life. She asked about me through my niece, Amanda, sent me cards and told me she loved me. I will always believe she is with my daughter Stephanie now and rejoice in that belief. She loved us all equally and I made it known to our brother, Jim, that I was willing and able to do anything to help. God bless you Don for all you did.
