

Pamela Sue Jabon

September 11, 1958 - October 27, 2025

Pamela “Pam” Sue Jabon, 67, of Valdosta, Georgia, passed away peacefully October 27, 2025 after a long illness.

A graduate of Lowndes High School and Valdosta State University, Pam earned her Bachelor of Science degree in Political Science before beginning her career with the State of Florida, helping individuals with disabilities live more independently. She later returned to Valdosta to care for her mother and went on to own and operate a successful contract painting business for more than 30 years.

Pam was known for her love of animals—especially her loyal Australian Shepherd, Maggie—and for her passion for fishing, where she was as skilled at “catching” as she was at casting. She will be lovingly remembered for her independence, generosity, and quiet strength.

She is survived by her brother, Steven Charles Jabon, and her sister, Karen Lee Jabon. She was preceded in death by her parents, Evelyn and Robert Jabon, and her brother, Phillip Vernon Jabon.

A Celebration of Life will be held in March with details to be announced.
