“ Patsy 's Family... I couldn't put the words my heart held to paper; and then this poem appeared this morning, and seemed to say it all, 'tho some words are altered! You will always be remembered!❤️  
Your Spirit We know that no matter what You will always be with us. When life separates us We'll know it is only your soul Saying goodbye to your body But your spirit will be with us always. When we see a bird chirping on a nearby branch We'll will know it is you singing to us. When a butterfly brushes gently by us so care freely We will know it is you assuring us you are free from pain. When the gentle fragrance of a flower catches our attention We will know it is you reminding us To appreciate the simple things in life. When the sun shining through our window awakens us We will feel the warmth of your love. When we hear the rain pitter patter against a window sill We will hear your words of wisdom And will remember what you taught us so well, That without rain trees cannot grow Without rain flowers cannot bloom Without life's challenges we cannot grow strong. When we look out to the sea We will think of your endless love for your family. When we think of mountains, their majesty and magnificence, We will think of your courage to stand for your country. No matter where we are Your spirit will be beside us For we know that no matter what You will always be with us. By Tram-
