“ Paige, I am so sorry for the loss of your brother, Paul. I lost my baby brother, Doyle, this past March 21 and it still seems impossible that he is gone. May God's loving arms enfold you and hold you close. Frances, I know it must be devastating to lose a son. I certainly hope that I precede my three sons in death, as I don't know if my heart could take the sorrow. I know you are a strong Christian woman and have a lot of support from your Christian friends who will be holding you up in prayer and love. I will be praying fervently for you. May God bless you and hold you close is my prayer for you, Frances!

“ Paul was our neighbor across the road for a small time. He may not have set up for staying in the house but he was our neighbor. He would always speak & sometimes shake our Pecan trees without out our asking. Never would let's us pay him. He was a Gentle Giant with a big heart. Rest in Peace friend.
