“ *Tony, Ill always cherish all the memories I have of you. Thank you  
for always looking out for me!! When I was ever hurt or in need I  
knew that I could always come to you . You were never a selfish  
person and always put others ahead of yourself . I know there were  
some rough times but now all those rough times seem so silly  
because I had in you one of the best friends I will ever have in my  
life . Ill never forget you and all the crazy stories you told us and  
things you did. You could always make me laugh!!!! Fly high my  
sweet friend . . Ill never forget you*
