“ Reggie was a dear friend to my family and he always could make you laugh. He had a sense of humor and that made him one of a kind he is going to be missed by many my two son's Dewayne and Dewight could set and talk to him all day and always come away with a smile on there face. And I think one thing I will always remember Reggie by is every time I would see him or talk to him he always would say (Say By)
