“ You were a big brother to me in our early years together. I have always had you and your incredible Betty in my heart from Parkview friendship and the love you gave Gail and I. I have had a good life even though it certainly would have been richer with you guys .I know Gail has stayed close. Bless both of you as we cross into our new worlds. Bless you as I turn my tears of sadness to tears of joy. Thanks for being great friends. Ron Dukes
