“ When my mother passed away Richard helped me, and drove me to the airport. He was a good person..I would like very much to get in touch with anyone in the family to ask about whether he finished what he wanted to do, before leaving earth...contact me please at n.u.t.t.s2022@gmail.com..I would be blessed if you do.

“ Judy and Family, Rick and I join many others in your time of loss. Dick was so much to so many and meant a lot to our family. His spirituality and joy was contagious. We all have missed your family since you left Indiana. We can never forget how supportive both of you were to us and our mother when Tom was ill and dying. Which I'm sure Tom and Dick are having many bible studies and men's group "guy time" while feasting on bounteous meals and catching up. Love to all. Rick and Lynn Bewley

“ Dick was the finest man we knew. He walked and talked Jesus. We know where he is right now. We will see you again. 3 months before his passing he wanted to play cards. He and Chuck beat Judy and I. Love you. Chuck & Victoria Glave
