“ *My heart is heavy, but my spirit is at peace just knowing that you made your way to the promised Gift of Eternal Life in Heaven. A gift that Jesus gives all His children who accept Him as Lord and Savior of their lives. You have been set free and you are free 'indeed' and rejoicing in the hosts of angels and basking in the light of our Lord! Peace and Rest and Joy for you, brother Max.*

“ *My brother will be missed by his sisters, daughters and those who loved him. Knowing he no longer is in pain is a comfort, but doesn't lessen the pain we all share. I pray Gods mighty precious arms and love are at this time wrapped around my little brother and preparing a Heavenly home for him until we meet again on Heavens bright shores.*
