“ *You were the epitome of how a woman and mother should be. You
always had love and compassion for everyone around you. Your life
wasn't the easiest, but you always continued pushing through any
challenge that came our way. You taught me to be strong and
always love my family and help others. I hope I can always make
you proud and be half the woman you were. I miss you and love you
mama.*

“ *Sheila and I were 1st cousins. We grew up many times having Sunday dinner at my Tampa home or visiting hers. We shared the same grandmother and grandfather. I know she will be missed by her family, friends and all who were blessed to know her. May she rest in peace!*
