“ *No words can express the emptiness that has been felt with the loss of this wonderful woman. She served the purpose of so many people for me; grandmother, friend, therapist....any hurdles I came to in life she was always there to cross them with me. And for that I am forever thankful. The lord truly knew what he was doing when he placed her in my life. He knew I would need her because without her a lot of times I don't know if I would have made it. She was my number one cheerleader who always was there to give me a pep talk or kick me in my butt when I needed it. She will be forever be missed. RIP Granny. For right now I'll be carrying your love with me. Until we meet again...I love you always.*
