“ February 24, Lord help me get through this 🙏 today is your 30th Birthday this is the first year I can't hug you, I can't send you a card, buy you a gift, call you on the phone or tell you I love you and how proud I am of you.. I will never tell you goodbye because I don't believe in goodbyes.. I will make a promise to you on this day I will not stop until I find out what happened to you.. If you only knew how much I blame myself for this.. I will never forgive myself for things that are too hard to talk about.. I know that you knew how much I loved you.. I do believe that God was tired of you worrying and wanted you with him. You don't have to be scared anymore and don't have to worry about a place to call home.. Spencer if it could of been me instead of you... I would of went ahead of you to heaven.. I promise you that.. You are safe now.. You are in the best place in the world which is heaven.. I wish everyone could of really got to see what I seen in you.. But you know what .. that don't matter because God knows and so do I what kind of person you where.. You loved your children I knew that.. And I hope one day they will also know that.. I know you are better than you have ever been now in God's hands.. I know you believed in God we talked about it so much.. 🕊️🙏.. And you knew so many verses in the bible.. And drew so many pictures of Christ.. I always said you are too beautiful for earth.. Spencer I miss you so much.... I always thought I would go before you.. But you can wait on me now... We will catch up on things when I get to heaven with ya.. I say goodnight and good morning to you everyday and always tell you I love you... Happy birthday my beautiful baby boy I know your seeing me from heaven.... You are my heart and soul and I will love until I draw my last breath.... Love you forever.. Your mother.. 🕊️📧🎁❤️💔💔💔🍰

“ It still feels unreal knowing you are not here. I don't think I will ever get use to it. I miss you all the time, and I wish I could have gotten more time with you. I wish a lot of things could have been different. I wish I would have been a better big brother. I wish I could have been more patient with you, and far more helpful, but most importantly I wish I would have told you how much I loved you and how much you meant to me!! Spencer, you will always be my baby brother, and I will always love and cherish the memories and time we shared. I will never forget or stop loving you! Get some much needed rest and peace, and give Granny a hug for me. I love you Brother!! Rest easy! You will never be forgotten and you will always be loved!!

“ One mind against another
Full spark, dead fuses
Screws tight, others loosen
Confusion, harmony
Tongues tied, cowards lie
Birds fly or do pigs
A mind built with experience
Digs, digs, and digs
Archeologist
Skulls found on the land of sand
Clan's banned
One mind, one chieftain
Discrimination, scurrying to find placement
Broken, trying to piece together my own mind
Intertwined left and right side of my mind
Scrambled, poached, boiled, or fried
No thought left behind
Conscious is this mind of mine..... In loving memory..... Never had a chance to share this with you It was finished two days before you..... I love you.... Always and forever your sister.....
