“ *In the spirited laughter and kind heart of Cousin Tommy, we found  
friendship and love. His adventurous soul showed us around  
Valdosta and Quitman, filled with songs from 70s, 80s rock that  
filled our hearts. Connection bloomed not in silence but in loving,  
almost competitive sing-alongs; his voice always a step ahead. As  
you journey beyond this life, Tommy, know our voices join yours in  
joyful chorus. Until we get to drown each other out again on the  
other side - travel well in faith and love.*
